REPORT OF THE SECRETARY-GENERAL CONCERNING THE SITUATION IN ABKHAZIA, GEORGIA

Addendum

1. In my report of 28 October 1997 to the Security Council, I indicated in paragraph 34 that the financial implications of measures to enhance preparedness for medical emergencies and improve the safety of UNOMIG personnel in the mission area would be provided for the information of the Council in an addendum to that document.

2. The estimated costs for the ambulance and 15 ballistic-protective-vehicles would amount to approximately $1.7 million and the helicopter for medical evacuations will be provided through a reconfiguration of resources already provided for air support in the Mission. I will report to the General Assembly on the additional requirements needed for the purchase of the vehicles.
